

ALBERTA SOCIETY OF HEALTH AND SAFETY PROFESSIONALS
CANDIDATE FOR BOARD PUBLIC MEMBER – DANIEL LAWRYSYN

Daniel Lawrysyn, P.Eng., FEC, FGC (Hon.) WSO-CSSD

Daniel has been with APEGA for six years in the professional practice department and currently is the Individual Practice Manager. Daniel is responsible for APEGA's individual competency systems and registrant management activities. In his role, Daniel is charged with managing the continuing professional development (CPD) reviews of licensed professionals, annual requirements of all licensed professionals including Good Standing policy and annual declaration, as well as other reviews that focus on individuals. Daniel is also responsible for the policies and procedures used in registrant management, which includes, resumptions, reinstatements, and reactivations for all current and former APEGA registrants to ensure continued ethical and competent practice of the professions in Alberta. Daniel has over 20 years of engineering experience focused in environment and public safety and he has worked in private industry, consulting companies, and municipal government prior to his role at APEGA. Daniel graduated from the University of Regina and attained his fellowship with Engineers Canada and his honorary fellowship with Geoscientists Canada through his volunteer work with APEGA.
